HAPPY NEW YEAR

2010

We thank you for giving us the opportunity to serve as your missionaries to the people of Romania. This month we have had the blessing of bringing, once again, many Christmas presents to

the Gypsy children of the School of Gârcini, Brasov. The Gypsy children were very happy and thankful for all that you are doing for them. Dalila spent many hours buying, preparing and giving those presents to the children. They really love what Dalila is doing and they can see the love of Jesus through her ministry.

We appreciate your prayers and donations for our family and ministry very much; together we are touching the hearts of these lovely people of Romania.

**We wish you,
A Merry Christmas and a Happy New Year 2010!**

An opportunity
to testify to the volunteers

In the picture we see Dalila surrounded of senior year students of the Sport's Department of the "Transylvania University". They were motivated by their professor Carmen Barna, a church member, to participate as volunteers, in bringing the Christmas presents to the Gypsy children.

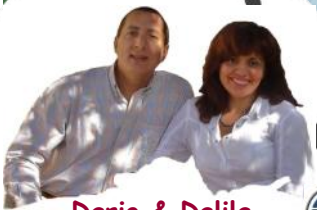

Gypsies' are very discriminated and marginalized people in Romania, therefore this ministry is very important. Dalila is encouraging those children to continue their education and is helping them to know the love of Christ.
