*Dario & Dalila* **REACHING THE UNREACHED!**

**Rescuing "young vampires" in Romania:** During counseling I find myself facing difficult situations. Such is the case of an 18-year-old teenager, bulimic, dependent to a promiscuous life, ever since she was 16 years old, of a night life in the clubs, alcoholic, and dependent of much money and luxuries, with three intents of suicide. She grew up without the love and instruction of her workaholic parents; she was 4 years old when they divorced and now neither of them can handle her, since she is consuming their lives.

Just like her, there are many others in this generation, thirsty for love and care, who lives without limits and values, without principles and without a purpose in life. They are a generation that is drinking out of a well that cannot quench their thirst. With their

attitudes and actions they make others suffer, drinking as such their own blood as well as that of others, on occasion literally causing themselves injuries to their own bodies, stating that thus they alleviate the pain in their hearts. The majority of us do not know how to treat them, let alone how to help them, which is why we end up marginalizing them. They are a generation enslaved by pleasure, irresponsibility, and anarchy.

It is them who we want to reach here in Romania; they are the true "vampires", youngsters and adults dispossessed of love, that suction their lives and the ones of their family members. We pray that God capacitates us in His Word and uses us through the Holy Spirit, to offer them the love of Jesus and bring health into their lives.

**Prayer Requests – please help us pray:**

- 1 - That the people we council will come to know Jesus Christ.
- 2 - That God will provide the spiritual, emotional and material resources to assist these people in their battles with their sin and their dysfunctional families.
- 3 - For donors that can invest in a regular basis in our ministry.
- 4 - Opportunities to minister through the means of mass media communication, such as TV and radio, in Brasov.

**God answered our prayer with a challenge to reach the unreached in our society.**

A new church is being born in the center of the city, "Global Church", "International Church of Brasov" which will be inaugurated on September 18, 2011.

Four years ago I met a businessman who was a friend of one of the ladies attending our church. We began to develop a friendly personal relationship that has now produced many spiritual fruits. Three months ago he began to attend our church and has now offered us one of his properties as a meeting place for the church. The building is located in the center of the city and he has waived any rent fees.

The challenge is great, to reach the unreached of our society, for which we need a lot of resources. Please pray for spiritual impact and a church were all can find a place to grow and serve.
